Galley & Garden

Birmingham, AL

Opened: October 2014

How amazing does this place look? It's Galley and Garden in beautiful Birmingham, AL, where chef James Boyce and wife and partner, Suzan, are doing modern American-French inspired cuisine with southern influences. The restaurant is located in a 1908 structure once known as the Merritt House, which underwent a dramatic overhaul to open up the space. Windows offer diners a view of the kitchen talent at work.
